Next Steps for Confirmed Students

Once you have paid your enrollment confirmation fee, you will have access to complete the next steps of being a member of the Class of 2023!

Starting April 3, complete your New Student Checklist (checklist.umn.edu) which includes:

- Tell Us About Yourself Survey (must be completed to access the following)
- Orientation date registration
- Placement test assignments
- Transcripts and test score instructions
- Other college-specific requirements

August 28 - September 2: Plan to attend Welcome Week, a U of M tradition!
Your transition to the U of M does not stop after Orientation and Welcome Week. Check out these additional opportunities available to support you during the academic year:

- Stay up to date on campus events and “things to know” during your transition to the U of M through communications like the Class of 2023 eNewsletter and Class of 2023 Facebook group.

- Take advantage of UMNetworks to build social connections with other new students. A Network Leader will help connect you with other new students by participating in group activities.

- Participate in At Home in MN events (for out-of-state students only) around the Twin Cities such as the State Fair and a local orchard. Experience Minnesota traditions with other out-of-state students.

- Join the At Home in MN Living Learning Community with other out-of-state students by indicating your interest on your housing application.

Note: Processing your confirmation enrollment fee may take several days, which can delay your access to the New Student Checklist.
