

Action Plans and Goals

1. How can you incorporate this information into the peer mentoring/advising program in your department? Into your own practice with students?
2. Select a goal(s) for your department as a result of this education session?
3. Why did you select this goal?
4. How will you accomplish this goal?
5. Who will help you accomplish this goal(s)?
6. How will you know that you have achieved your goal?
