Full Report:

22. What is your main concern/anxiety at this point in the semester?

Other (please explain)

doing well in the classes also applies, as well as the adequate sleep.

my roommate is not very nice to me and we don't communicate well.

Tuition is so much for just one semester, I might actually not go after the first year to work and get enough to pay for further schooling.

Time management and sleep

me and my roommate dont get along

Everything, but I'm slowly getting used to it.

I am not sure of what my major will be.

Awful education on math teachers part.
