17. Do you plan to return to the University of Minnesota next year?

If no, why not?

transferring to be closer to home.

transferring to university of wisconsin madison

I am from out of state (not wisconsin). I like it here alot. But i recently decided not to persue advertising and to become a teacher. If i stay hear I'll proabably be paying off loans forever.

I am going to study in Spain next year or I am going to transfer to a school with an athletic training program

It all depends on if I get into CSOM.

unqualified students

I'm transferring to a smaller school.

minnesota is too cold

Close to home, relatively inexpensive because of no travel for plane tickets etc. Comp-Sci department seems cool, I'm testing that out now.
