4. Why did you choose not to live on-campus in a University Residence Hall or Apartment?

Cost

I moved into my sorority in the fall.

High fee.

I chose not to live in campus because I was not able to pay for the dorms and also to have my own freedom and privacy.

Money, and youth

Because my family situation we couldn't afford for me to live on campus. And I am also working in my hometown. So it is just easier for me to live at home.

Evans Scholar House

family life

Living with my friends has more interests.

Cost,

no dorm left

it is cheaper

I just didn't feel that the University Residence Halls were for me and I am unable to afford an Apartment at the moment.

40 minute bus ride beats paying board.

Residence halls are a screw. The department was so disorganized they couldn't answer my questions about food allergies and we couldn't make things work.

it was not for me. i joined a frat right away and it was the best decision i made. i knew my roommate and it was great

I live in my fraternity house which I love being around my brothers and living with them.

Financial reasons

Too expensive. For the same amount of money, I could live off campus with my own room, living room, kitchen, and dining room. I can cook my own food and live quietly.

I'm living with another student who doesn't go to the U

Cheaper, family

Too expensive to live on campus or near it.
