Below is the list, but each college of enrollment (i.e. College of Liberal Arts) has additional checklist items. To access your personalized New Student Checklist, go to myu.umn.edu and select the “My College” tab.

Initiate Your U of M Email
The Getting Started Guide will help you activate your University email account; learn about technology help on campus, and more.

Email is the official method of communication at the U of M. Check your U of M email regularly for important updates about New Student Orientation and Welcome Week.

Complete Your Pre-Orientation Survey
This survey will provide your academic adviser with specific information about you. Your adviser will use this information to help you register for your first semester classes on Day Two of Orientation. You will be asked to enter previous coursework and AP/IB exam results (if applicable). This survey will take 10-15 minutes. Once completed, you will be able to select your Orientation date.

Select Your Orientation Date
Orientation occurs between June 11 and July 18. Additional dates are available for International Students (see page 3). Again, you can select your Orientation date after you complete the Pre-Orientation Survey.

Note International Students: Once you select an Orientation date, you can make a Document Check Reservation www.isss.umn.edu/new/docCheck.html. You must complete your Document Check no later than the day PRIOR to attending Orientation.

Invite Your Parents to Parent Orientation
Research shows parent involvement has a positive effect on a student’s transition to the University. Select an Orientation date together, if possible. Encourage your parents of family members to sign up. There is a separate registration process for parents (see page 4).

Complete Placement Testing
Before Orientation you must complete your assigned placement tests for subjects such as chemistry, mathematics, and languages. You can take each test only once. The results will determine which course(s) you will take, so please take each test seriously. Tests must be completed two weeks before your Orientation date.

Review the Class Selection Tutorial
To prepare for course registration with an academic adviser, review the Class Selection tutorial prior to your Orientation date.

NEW STUDENT ORIENTATION

Day One
Orientation begins with check-in on the ground floor of Coffman Memorial Union between 8:15 and 10:00 a.m. After checking in, you are encouraged to participate in any of the morning activities with your parents/family. You can go on a tour, meet with a financial aid counselor, or ask questions and gather information at the resource fair, where more than 20 University departments will be represented.

The program officially begins at 10:15 a.m. with the University Welcome for you and your parents/family. You will then meet your Orientation Leader and a small group made up of students from your college. You can expect to learn about University resources, academic requirements, and in the afternoon you will meet with your college to prepare for class registration on Day Two.

During the required overnight stay in Comstock Hall you are invited to participate in evening activities with other students, prepare for class registration, or relax with new friends after a busy day.

Day Two
Your second day of Orientation starts with an early breakfast, followed by advising sessions with your college, class registration, and an opportunity to get your student ID, the U Card. Students conclude Orientation at various times. Most students are finished in the late afternoon.

Details about the morning activities can be found at: www.ofyp.umn.edu/fyschedule.

International Students
Orientation & First-Year Programs works closely with International Student and Scholar Services (ISSS) to create an orientation program specifically for you. Most international students attend New Student Orientation on either August 21-22, 22-23, or 26-27. You will receive more details about this orientation program via your U of M email so make sure you are checking it regularly.

After arriving on campus, international students must visit ISSS to complete Document Check. ISSS will review visa documents and verify immigration status to make sure that you are eligible to take classes. You will not be allowed to register for fall courses until you complete Document Check. Please plan to complete Document Check at least 24 hours prior to your first day of New Student Orientation. You can schedule your Document Check beginning April 3 at www.isss.umn.edu/new/docCheck.html.

If you need temporary housing upon your arrival, visit the International Reception Center (IRC) website to learn more and make a reservation at www.housing.umn.edu/irc/.

University Honors Program
9:35-10:05 a.m.
This is a mandatory session for students participating in the University Honors Program (UHP).

Meet people with whom you will share your Honors experience for the next four years: Honors students from across all colleges, Honors peer mentors, Dr. Serge Rudaz, director of UHP, and other UHP staff members. Learn about the UHP participatory educational experience, which emphasizes the interconnectedness of the arts, humanities, sciences, and social sciences. Arrive to campus for the 8:30 a.m. Middlebrook Hall tour to see where many honors students live. To learn more, please visit honors.umn.edu.
Parent Orientation

As a parent or family member, you play a vital role in your student’s transition to college life. That is why we encourage parents and family members to attend Parent Orientation. You will learn about the University and its many resources.

Even if you’re familiar with the U of M campus, Parent Orientation offers relevant and timely information on financial assistance, tuition and billing, health and safety, advising and registration, and University support services. Parent Orientation runs concurrent with New Student Orientation. Parent Orientation is a one-day program, with optional sessions on Day Two.

How to Register

Once your student registers for New Student Orientation, you can sign up for Parent Orientation at www.ofyp.umn.edu/fyparentregistration. You are not automatically registered for Parent Orientation when your student selects their date. You must preregister separately at the link above.

Cost of Attendance

Parent Orientation costs $25 and includes a continental breakfast, lunch and refreshments, a full day of workshops, and helpful materials. Preregistration is required. A fee waiver is available for eligible families. Contact Orientation & First-Year Programs for additional information about the fee waiver process or any questions regarding Parent Orientation.

Saturday Program Available!

If you are unable to attend a weekday program with your student, we encourage you to attend our Saturday, June 22 program. For the Saturday schedule, visit www.ofyp.umn.edu/fyparentschedule.

Additional Evening Program

After a busy and exciting day at Parent Orientation, enjoy a casual dinner overlooking downtown Minneapolis, followed by a two-hour trolley ride showcasing our beautiful city.

Highlights include the century-old milling district, Walker Sculpture Garden, and Chain of Lakes. The cost to participate in the evening program is $32 per person.

Advanced registration is required and space is limited. Register online at www.ofyp.umn.edu/fyparentregistration.

Please note, there is no evening program on Saturday, June 22, Thursday, August 22, or Monday, August 26.

For additional information and/or to register visit www.ofyp.umn.edu/parents.

Encouraging Independence

As students begin their careers at the University, it is important that they register for classes on their own with the guidance of their academic advisers, and that they begin making their own decisions about their academic futures. Encouraging students to be self-sufficient will help them develop confidence, improve problem-solving skills, and enhance their overall experience at the U of M.

“I found the orientation to be a very positive experience for both my student and I. It made the University (as large as it is) seem smaller and more connected to the students and family. My student can’t wait to join you in the fall.” —2012 University parent
U Card
Your U Card is your official University of Minnesota photo student ID card. It's important to get your U Card during Orientation because you're going to need it for everything from access to Welcome Week events and residence hall doors to printing at computer labs with Gopher GOLD™ value.

You can get your U Card one of two ways:
1. Bring a valid photo ID (driver's license, state ID, passport, or high school ID) to the U Card Office during day two of your orientation, and wait to have your picture taken.

Or avoid the wait and…
2. Complete and return the U Card Express Service forms you will receive in the mail from the U Card Office and we will preprint your U Card so it's ready to pick up on day two of your orientation. You will need to present a valid photo ID to pick up your preprinted U Card.

Please note: International students living outside the United States are not eligible to participate in U Card Express Service, but can get their U Card made on their orientation day.
